# Headmaster's REPORT

Salvete, Friends of Covington Latin School!

Each fall gives us a chance to catch our breath and recall the important people and events of our lives. For us as school, we recall the many people who have helped shape who we are: alums, parents, students, faculty and friends. Each group leaves its mark on who we are and enriches our lives. All of you are important elements of Covington Latin School. Through engaging you, we strive to uphold the best of who we are, but at the same time seek to improve ourselves. Ours is the constant mission: leadership.

Our new website has been launched and we are pleased with the results. It is our desire to showcase our school to the public and continue to communicate to you what is going on within our community. If you have not already checked it out, please do so at: [www.covingtonlatin.org](http://www.covingtonlatin.org).

We have settled comfortably into the Lyceum Annex and are thrilled to call this place home. An Open House celebration of the building will take place in the near future. We invite all of you to come see this new building and what we are doing with it. A blessing of the facility will take place as well as student tours given. Stay tuned for future details.

We continue our work with the overall facilities and hope to complete them in the spring of 2009. At that time I will be more than happy to share with you what we have done and where we are heading. These days are nothing short of exciting. Please continue to pray for us as we endeavor to be good stewards of our beloved institution.

All of you have received basic information about the school as it began the school year. We are very proud of our two national merit semi-finalists: Brian Becker and Greg Light. Out of approximately 16,000 semi-finalists in the nation, they join about 250 semi-finalists in the state of Kentucky. A nice achievement for a class of 41! Now they continue on their quest to become finalists. We are all praying for them and supporting their efforts. Congratulations, too, are in order for Ryan Simerlink who finished the process of National Merit as a quarter-finalist. He is a Commended Student. Optime!

Our sports teams had an exciting year and already are off to a fast start with golf, volleyball and the soccer teams. Winter sports are in motion and our athletes never disappoint us in the drive to play and do well.

These are but a few nuggets of what is happening here at school. So much more is happening! Check out the website and look for future mailings. We cannot do what we do without you. You are all most kind and generous. Now, more than ever, we are convinced that Leaders start here!

Please know that you will be remembered in a most special way during our prayers and liturgies this holiday season and throughout the year.

God Bless!

  
Andrew J. Barczak

All alumni, parents, relatives and friends are welcome to attend. Your invitation with the raffle chance form will be mailed in January. # OFFICE OF ALUMNI AFFAIRS

Jerry Kohlhepp

The Covington Latin School alumni/alumnae are alive, well, and vibrant! Our annual CLS alumni golf outing at Twin Oaks Country Club on Thursday, July 31 (always the last Thursday in July), was another success. We had a record number of hole sponsors...49! The group of Jim Schumacher '88, Jim Schumacher Sr., Mike Ferguson and Tom Schumacher '59 were the low net winners and the group of Ron Hall '85, Alan Steele, Guy Harrington and Jeff Litzler '90 were the low gross winners. Set aside July 30th next year and get a four-some of your classmates. It is a great time!

Our "Nite at the Races" at Turfway Park on Friday night, September 5th, was a blast and, for some, a "money-making experience!" We had our own large private room with our own ticket-taker/cashier, along with appetizers and refreshments. It was unanimous that this casual, fun night will become a repeat event.

Also, our Alumni Banquet was held again at Twin Oaks Country Club on Thursday evening, October 2nd, and was well attended. Congratulations again to our honorees (Messrs. Hebert, Hengehold, Blewitt, Wolfzorn and Graff). See the expanded article herein. We are very proud of our honorees. If you didn't attend, it's a great reunion experience, and we hope to see you next year.

Last, but not least, when your school comes calling soon in regard to the 2008-09 Academic Advancement Fund, please be generous. Your donation is to keep our financial assistance program sound and insure that all qualified students can attend Latin School, whether they can afford to pay the tuition or not. We should all prayerfully consider as much as we can afford for a cause which produces outstanding Christian leaders...something of which our country is in great need! Please rank CLS high in your charitable priorities!

# Development REPORT

By: Cinda Rudolph, Development Director

Do you know what it feels like when a new parent says to you... "This is the best decision we ever made, to send our child to Latin School. He/she is so happy to finally be accepted, and we are happy because he/she is getting a great education!" I have heard this so many times over the course of my 18 years as Development Director at Latin School. It makes me very proud to say that our alumni believe in our mission of accepting qualified students, whether they can afford the tuition or not.

This has been made possible from your generous annual fund donations to the Academic Advancement Fund, which Fr. Heile began in 1969. How can I thank you enough?

I also appreciate the alumni who have supported *The Grand Event* by purchasing raffle chances, being a sponsor, donating an item, or just attending the fundraiser. You know that all alumni are invited to *The Grand Event*. Why not give it a try in 2009? You will have a great time and will be supporting Latin School!

I would also like to thank the parents, grandparents, friends and businesses who have supported the Development Office's two main fundraisers: the Academic Advancement Fund and *The Grand Event*, from the major gifts captains, to Phonathon workers, to all the volunteers needed for *The Grand Event*, to the donations received. All of this is much appreciated!

## A Note from the Alumni Affairs Coordinator

Hello to all of our alumni. I'd like to take this opportunity to introduce myself, in my new assignment in the Alumni Affairs office. Especially to those of you who graduated before 1989, my first graduating class here.

It seems like only yesterday when I first walked into Latin School, rather than the twenty years it has really been. In these twenty years I've taught English, drama, speech, and even a little social studies. I've directed and produced plays, begun the writer's club, coached track (after a fashion), coached debate, and been moderator for the yearbook. This is, all told, my twenty-ninth year of teaching in three high schools and one elementary school.

Before teaching, I was in business, holding diverse jobs in marketing, sales, and plant production to name but a few.

I'm excited about the new position, and hope I can serve your needs as alumni of what I think is the best high school at least in our area. Please keep me posted on events in your lives. I want to share your joys with all of your fellow alumni. At this time I probably don't have answers to all of your questions, but ask, and I'll try to find out as soon as I can.

John Goldfuss

## 17 Designated AP Scholars

Seventeen Covington Latin School Class of 2008 graduates have earned AP Scholar awards in recognition of their exceptional achievement on AP exams.

The College Board recognizes several levels of achievement based on student's performance on AP exams. Through 37 different college-level courses and exams, AP provides motivated and academically prepared students the opportunity to take rigorous college-level courses while still in high school. 1.6 million students worldwide took these exams.

Nine students qualified for the AP Scholar with Distinction Award by earning an average grade of at least 3.5 on all AP Exams taken, and grades of 3 or higher on five or more of these exams. These students are Emily Ernst, Lauren Helton, Maggie Kelly, Brad Martin, Jake Powers, Sam Rodgers, Kristina Satek, Paul Vine, and Emily Zalla.

Two students qualified for the AP Scholar with Honor Award by earning an average grade of at least 3.25 on all AP exams taken, and grades of 3 or higher on four or more of these exams. These students are William Banks and Veronica Colegrove.

Six students qualified for the AP Scholar Award by completing three or more AP Exams with grades of 3 or high. The AP Scholars are: Michael Daugherty, Samantha Isler, Anthony Kenkel, Rachel Martin, Jonathan Massey and Gus Powers. □

## Addition to Graduation Awards

Kristina Satek was mistakenly omitted from the listing of graduation awards in the last issue of *The Leader*. She received the Christian Service Award.

Sorry Kristina!

## 2007-08 AAF Again Surpasses Goal

Another year of fantastic support for our annual fund from our alumni, parents and friends of Covington Latin School! The amount collected from July 1, 2007 to June 30, 2008 was

Thank you to chairperson Tim Spille '94, the major gifts captains and the Phonathon workers for their dedication and support.

Just know that your contribution has personally helped a stu-

dent attend Latin School through our financial assistance program funded by the proceeds of the AAF. We also purchased new classroom desks and a SmartBoard for another classroom.
